“ I will miss Sharon dearly. God has called her home where there is no sorrow - only eternal peace, wellness and love. Praying for my dear cousins as they say goodbye to their oldest sister.

“ Sharon has left us for the perfect place above
Filled with relatives, laughter, and lots of love
God looked through his Garden searching for the best
That's when he found Sharon, it was her time to rest
Just like our other loved ones, she was part of his plan
So when it was time he reached down his loving hand
It's hard for those who love her, to just let go
But God had a spot in his garden that needed a gentle soul
We will miss and love Sharon forever
Until the day we are again together
The memories you keep are in your mind
As you search your soul for more to find
Alone in the dark sometimes you fear
Voices from loved ones you're hoping to hear
More years pass, they soon fly by
But you're always looked upon from those in the sky
Remember one thing as you sit and pray
Our loved ones will be there to greet us we will see them again
someday

“ We both pray for peace and comfort to all of Sharon's family. Though, I only met Sharon once through one of the great family feasts hosted by Cecil, Jimmy and the Llamas, I knew at that time Sharon was a major figure within the group. I trust the Lord is now comforting Sharon in His arms and giving her the rest and peace she so needs.
