“ *As a child and even as a adult I would get so excited to know when we were going to Aunt Dixie's house or if she was coming to visits us. I would always ask her will Shauna and Becky be there too. Sometimes Becky couldn't be there she was always so busy with work, animals, or hunting. Shauna would always come. I will never forget our talks, your beautiful smile and laughs we had together. You will always be in my heart. I Love You Shauna, tell my Mom and everyone else in heaven we love them all and miss them very much.*
