“ *Nicole, Brandon, and Family- I'm so sorry for your loss. Words cannot express the shock and sadness that this brings. My heart and thoughts are with you. Sheila was a wonderful person, a fun and loving mother, and she had quite an impact on my young life. She was quick with a joke and always made me smile. Her exuberant spirit will not be forgotten.*

“ Brandon, Nicole, & Freddy,

I went to school with your mom & your dad & Uncle Freddy. I used to live next door to your dad, growing up. Your mom was such a sweet person. She used to always find some humor in everything. She was so down to earth. I know that she will be greatly missed by everyone who knew her. Terri Richardson

“ Dear Nicole and Family,
I was so sorry to hear about your parents. I did not know your dad ,
but your mom was a great lady. I enjoyed visiting with her when I
was in the General Store. I know all the teens and younger children
called her "mom" because that was the kind of person that she was.
Loving.
I know she loved Alyssa with all of her heart. Keep those memories
close and hold tight to the hand of Jesus, He will heal the hurt. You
will never forget, you would not want to forget such a wonderful
person, but He will give you comfort and in time healing.
if you can, deal with your loss minute by minute , then hour by hour,
then eventually day by day. Remember its okay to cry, hurt and
even scream if you need to, it helps to get that hurt out. The best
rememdy I have found is crying out and praying to God,He is
always there for us.
Take care of yourself and that sweet baby Alyssa.
This is Aunt Vickie that sends the cards and stickers to Alyssa.
God Bless You and Your Family and give you all peace and comfort.
