“ I do not know your family, but I want you to know that simply by looking at her picture, I feel a loss in my heart, as well. She looked like a sweet, happy girl, and I hope it can eventually bring you some comfort to know that she is now with God, who will always keep her happy and smiling and cared for in Heaven.

“ I came to the site to look at recent posts to my father in laws guestbook and came across this. I dont know your family at all but, i am a parent and as tears streamed down i knew i had to take a momment to say im so sorry for your loss. 4 years old , her little precious life was so new but, we dont know why or when god calls us back home. Im sure all the sorry in the world cant help you right now, only time. I shared what i read with my family and our deepest sympathy is with you and we will add you to our prayers.
