“ *Shelby had such a knack for making friends. It did not take long to become a friend of Shelby. He was such a warm, inviting person who made you feel right at home when you visited him at his home or when he came to make a call on you. Shelby was such a giving person throughout his life. He would always bring the wonderful produce from Fairfield where the tomatoes and peaches were to die for. There is only one Shelby and he will be sorely missed.*

*My thoughts and prayers are with his family. May God wrap His loving arms around all of his family to provide healing powers for all of you.*
