“ *OMG i didn't even know of the loss of this amazing women. We met her at the local vfw doing karaoke and she invited me and my husband to her house to sing and party so we went just because she was so freaking amazing... She ended up being a very big inspiration to me. we hung out all the time. Times and work changed things and we weren't able to go over there anymore and i haven't been in contact with her in forever..... My husband , myself and family was talking about shelli and she told us, we didn't want to believe it so i googled it and was at a loss for words.... Shaun and I love and miss you so much. Every time hear or song dear diamond i think of you, now its going to be a very emotional song the reason is because she begged me to sing the song..... Sing with the angels love you!!!!!!*

“ *I am so sorry to hear of Shelli's passing. When we worked together at NRH, a lady asked if she was my daughter. Shelli was a very sweet young woman. I would have been proud to say that she was my daughter, but I can say that she was my friend.*

“ *To all the family,
I am so sorry for your loss. Shelli had the most beautiful smile and always had one ready to give every time I saw her. Didn't seem to matter what she was going through or how tired she might have been, that smile was always there. Prayers for comfort and strength that can only come from above. I love you all

I was so sad to hear of your passing. In times like this it is so hard to find all the words you are searching for to express your feelings. I can still see your sweet smile and your wonderful sense of humor. Thank you for all the good memories we shared at work. May God bless you and your family.
