“ Life doesn't feel the same without you here but, I'm comforted to know you're in a better place hugging Mamaw & Papaw, your baby girl & your dad. Know I'll always be grateful for the times you helped me navigate through life. You helped me in some very difficult times in my life. You showed up for me so many times in my darkest days. Including the days I gave birth to my boys. (I still have the onesies & mum you hand made me. You made me feel so special) That just goes to shows what an amazing person you were! Always there for your family.

Let's not forget all family gatherings we used to have with mamaw and papaw. Those were the days! Your laugh was so contagious. You truly were the life of the party and always so much fun to be around. I'm going to miss that & your silly self!
I love you and don't forget it Sherry ❤️
