“ What a lady! I have known her since 1962 when she came to Frost High School for a while each day in her shirtwaist dress and high heels to help make the yearbook. She and Billy attended every school event. Usually they had the only movie camera filming everything Tony and Alan did. They were encouraging and complimentary to me. Shirley was funny and I enjoyed one of her stories about a character or history or happening each time I went in the bank. How long will it take me to accept she is gone from Earth?

“ *Shirley Hargrove has been my best friend for many years. We shared so many trips to the mall, the WLAC Plays and movie going through the years. At the end of our evenings out we always went to Sonic for our Dr. Peppers and drive back to Frost down Hwy 22 going about 50 so we had time to visit. She was a wonderful person, a second mother to me and my children. I know she is in Heaven right now singing with her dad and smiling her beautiful smile. Praise God that she is completely healed now. I love you Shirley!*
