Special thanks to Shurley's sitters and caregivers at Brookdale Senior Living, Twilight Home, and Mercy Hospice who made her life more rich and comfortable for the remaining years of her life. They have become like family to all of us.

Shurley continued her education at Navarro Junior College but later decided to dedicate her life as a wife and mother. While living in Midland, she was a long time member of the Christian Church of Midland. She and her husband enjoyed gardening and serving the Lord through entertaining others in their home. In addition to gardening, she also took a course in oil painting and enjoyed painting a few pieces for her family. For many years, she and her husband enjoyed camping with the Billy Sims Starcraft Camping Club and the

Starcraft International Camping Club. Upon retiring to Corsicana with her late husband, she was a member of North Beaton Church of Christ. She enjoyed attending her Corsicana High School Class of 1959 reunions.

I will be thinking of you and everyone there because I know there will be those who loved Shurley very much. So many of our 1959 Corsicana High School Class knew Shurley loved her class reunions. She would have that contagious smile and be trying to get all around the room and visit with each one. She loved to greet everyone. I have lots of memories through out all our years to hold close to my heart. She was a genuine friend since school days. Most of all, once I learned her mother grew up out at the Corsicana State Home, My Homeplace, I began taking her to our yearly reunions. We just loved all our reunions.
