

Staci Vest Wright Brady

December 29, 1973 - December 16, 2024

Staci Nicole Vest Wright Brady, 50, of Corsicana, Texas, passed away on December 16, 2024. Staci was born on December 29, 1973, in Dallas, Texas, to Janice Sue Vest and grew up alongside her brother, Danny Baggett. She was later adopted by her aunt, Cindy Vest, and was raised alongside Courtney Wright.

Staci is survived by her beloved son, Calli Brady, and his wife, Jocelyn; her mother, Cindy Vest; her sister, Courtney Wright, and her daughter, Kaylee; her brother and sister-in-law, Danny and Shalin Baggett, along with their son, Peter, and Danny's daughters, Morgan and Madison; her aunt, Nona Vest Bailey; as well as many cousins and friends who cherished her vibrant spirit. Staci had a special gift for making everyone feel like family—she truly never met a stranger.

For 16 years, Staci worked as a dedicated wine merchandiser for Glazer's and then RNDC, a career that reflected her strong work ethic and passion for connecting with others.

Outside of work, Staci lived life to the fullest. She loved listening to her favorite music, spending quality time with her family and friends, and attending as many Eric Church concerts as possible. Above all, Staci was a devoted and caring mother, pouring love and dedication into her son. Her warm smile and

boundless energy, along with the love she gave so freely, will be deeply missed by all who knew her.

Staci was preceded in death by her mother, Janice Sue Vest; her grandparents, Lois and Delma Vest; and her great-grandmother, Inez Vest.

A memorial service will be held on Wednesday, January 8, 2025, at 11:00 AM at Griffin-Roughton Funeral Home Chapel in Corsicana, Texas, with her pastor, Tony Stephens officiating. Visitation will begin at 10:00 AM. After the memorial service, Staci will be laid to rest with her mother in Dresden Cemetery, fulfilling a lifelong wish.

In honor of Staci, let us remember her love and kindness, her laughter, and the joy she brought to so many lives.

“ Calli and JJ, Staci loved you both so much all she ever talked about was "her kids". She was and honestly the kindest person and truly cared about and anyone she became friends with. Little did I know my last time Sunday night would be the last time Willow Faye and I would speak to her, and she made sure Willow knew how much she loved her. She's free from all the pain she has endured over the years and she's finally with her Momma. We love you both so much.

“ My prayers go out to Staci's family and friends. Met her when she was a young girl going to CHS with my son. She was so pretty and so very nice. Staci was truly a likeable person. I know she will be missed by many. And yes, we will all see her again someday. She left this world too young. But when God decides it is time for us, we gladly go to a much greater place. Staci rest in peace.

“ I met Stacy when both our ex-husbands worked at JB Hunt together. She was a good friend and listener. I will truly miss her. I just can't believe she's gone.

“ I had no idea when Staci reached out to me last week that it would be the last time I'd hear from her. She'd asked me to pray for her upcoming back surgery. I'm in a state of total shock. I've knew her from JB HUNT & we became fast friends. Our thoughts and prayers are with her son & daughter in love. She adored you both! My hearts break for all of you. This is a huge loss & a rough time of year for it to happen.

I met Staci at Church and saw her through her work as a wine stocker at many stores throughout town. She was always concerned with how you were doing even when she was in pain. She loved her kids to infinity and her heart will live in through you

“ To the entire family,
We are so very sorry and shocked to hear about Staci's passing. I'm totally at a loss for words.
Staci was a one of a kind gal. She could be blunt and brutally honest when needed but also had a very compassionate and caring side as well. I met Staci well over 30 years ago and was even fortunate enough to be a part of her wedding party. Lots of stories and memories over the past 3 decades of knowing her. I can assure you she will be missed my many, including me and my entire family. There just aren't words to be said that can take the pain away from losing a loved one. We can only hope and pray that you all can find peace one knowing that she's in a far better place and free of all pain and suffering. Lean on one another and your network of family and friends in this time of need and in the difficult days to come. You have a lot of people that have you in their thoughts and prayers. Please reach out if there's anything at all that we can do. Again, you all are in our thoughts and prayers. Take care and God bless you all.
Bodie Travis and family.
