“ *I had the great pleasure of working with Stan for the last 2 1/2 yrs. He had a heart of gold and a smile a mile wide. He loved NRH and the people he worked with. He was always quick to offer help and words of advice of something he'd learned over the years. Stan was so kind and loved his family and friends with all his heart. (that and his harmonica!) My life is blessed to have known him. We will miss him in Plant Ops. It just won't be the same.*

*Holding the DeMoss Family and Stan's Friends and Family (NRH Staff) close to my heart. Brightest Blessings of Healing and Love to you.*

*I will miss you Stanley Allen!! Thanks for always taking such good care of me!*

“ *My heart breaks for you all right now. Brett and I saw Stan at work when Dorothy broke her arm and had to have surgery. He was walking down the hall with his Beautiful Friendly SMILE :). We have so many crazy fun memories of Stan over the years. Everytime I think of him I SMILE :) To his precious Family I pray you all can find Peace and Understanding. God will be there for you all. I know there are no words right now that will help ease the pain, but just remember you all have so very many friends and family that will be there to help you through the days ahead and that includes the Douglas Family. Eric and Devon our hearts go out to. God will hold you all close and help you through it. Dustin, Daniel and Seth are all upset and want you to know how much they care....Sending all our Love to you all... RIP now precious friend...*
