“ Ann, I am sorry for your loss. I remember so many times you would visit your Mama, and watch old movies with her until she fell asleep. I remember so many things about Stella. I had my little girl in Feburary and in April I was able to take her to HOW. Your Mama was in the dining area, and was ecstatic to hold Kassadie. She told me how beautiful "My baby was." She loved Babies, and is now enjoying all the little angels in heaven. God Bless you all.

“ Grandma was always there for us, she made the best peanut & banana sandwiches no one else could make it like she did. She had her own way of answering the phone in her sweet little voice, she would say "heello". I am going to miss her so very much. We spent so much time with her growing up. I love you grandma. Love you, Kelli Leveridge
