

Stephen Clovis Beaver

February 18, 1947 - June 7, 2026

Stephen Clovis Beaver, a devoted husband, father and grandfather passed away peacefully on June 7, 2026 at the age of 79. Born on February 18, 1947 in Teague, Texas to Clovis and Johnnie Beaver.

Steve was a proud veteran who served honorably in the United States Air Force, where he demonstrated dedication and patriotism. His service to his country was a source of great pride for him and his family, with two sons and a grandson going into the military as well.

Steve found the love of his life with Linda Glenn. They married on May 10, 1989. They shared a beautiful journey of 37 years filled with laughter, adventure and love. Linda was his rock, confidante, and his best friend.

Steve's career as a truck driver allowed him to travel the country, enjoying the beauty of the United States. He enjoyed this adventure, telling stories and sharing pictures with family and friends.

He was a man with a quirky perspective on life, often choosing to wish people a "Happy Anniversary of your Birth", rather than the traditional "Happy Birthday." This saying always gave the kids and grands the biggest giggles, they always wished him the same too.

Steve is preceded in death by his parents Clovis and Johnnie Beaver and his grandparents William and Addie Collins and James and Lavada Beaver.

Steve is survived by his beloved wife Linda, and sons James(Jennefer), Victor, and Paul(Heather). Fourteen grandchildren and eight great grandchildren. He is also survived by his brother Duane(his wife Chris)niece and a nephew.

In his final years, Steve was surrounded by the love and care of his family. We extend our heartfelt thanks to all who have provided care and support during that time.

In accordance with Steve's and Linda's wishes, a celebration of life for Steve will be held later on this year.

We invite those who knew Steve to remember him in their own special way, honoring his spirit. Stephen C. Beaver's legacy is one of love, service and kindness and will always remain in all our hearts.
