“ Stephen loved motivating people to become not only fit, but confident. He loved any sports team that come from the Boston area. I shared memories with Stephen about my brief time with the Patriots. Stephen will be missed dearly.

“ Stephen was my personal trainer. A young gentleman who I grew to trust, admire & love like a son. My heart hurts for your loss. I know we talked many times about his love & concern for his mom. He always wanted to be there for her. He loved, admired & held great respect for his dad. Family was very important to him, & he always shared his adventures with his friends back in NH. I will always have him in my heart. A one-of-a-kind ??
