“ *I first met Su-San in 2008. We were co-workers for many years and friends to the end. She was just as awesome of a friend as she was a nurse. We used to go out to dinner frequently and maybe enjoy a margarita - or 2! We went to casinos and fed the machines. We shared good times and bad times in our lives and everything inbetween. I miss her very much and always will. I will never forget my friend, Su-San.*

“ *Such a precious lady. She was so good to her patients and showed them love and dignity. My mother was one of her patients and was treated like gold! You will be missed Su-San by so many.*
