“ *I first met Susan while we were in the fourth grade at Kurth Elementary in Lufkin Texas. I have known her on and off for more than 58 years. The Susan I knew at 68 years old and in her last few days of life was the same as the one I knew in fourth grade. Her life's compass never changed. She was always genuine, pure, and true. She was a genuine person with a pure heart and a true spirit who was always kind and welcoming to everyone she met and knew.*

While most people may have only seen her demure personality, having known her since fourth grade I saw her strength and kindness. Under that blanket of quiet resolve was a mother bear watching over her cubs. She loved her family more than life itself. Susan was a role model as a mother, wife, daughter, sister, friend, and beacon of Christian faith.

Susan was more than my sister-in-law; she was my sister and friend. While I may have lost my sister-in-law, she will always be in my heart as my sister and friend.

“ Susan was a cherished friend and Panther Band Family. Her laughter and smile were infectious. In the photo, Susan is on the left. (Linda Lively, Sarah McKelvey and Patricia Robinson) Having a blast at the Lufkin/Nacogdoches Pep Rally 1972. I loved her as a sister. I was so happy when she caught the bouquet at my wedding 50 years ago.
