“ *Susan has such a kind soul and a loving heart. She loved her children immensely and always made sure they knew that they were loved and cared for. Lauren, Leslie, and Lana- I am truly sorry that you lost your mom- while I do not know how that feels I know that each of you share a special bond with your mom that cannot ever go away. She loved each of you and your families/friends so much! My heart hurts for each of you but I know that she is healed in Heaven and out of pain. Big hugs to each of you and find comfort in each other during this holiday season! I love you all!*

“ *Martha. I will miss Susan so very much, We spent hours together talking, laughing and crying. She has too much of a big heart. She taught me so much about the good stuff like Shawnee.. She had a good eye for the good stuff. I know of the hard times before Ed came along and he was a jewel. He took such good care of Susan and always put her first. Not many men would go beyond and above like Ed. He is 24k gold in my books. Well she is with Jesus all healed and has new wings. I thank God for allowing me to know her. God Bless :Love you Martha.
