“ *Ms. Bogle was always full of life. She laughed and when she did and thought something was funny, it was loud and you had no doubt how she felt! Billye was special to me...different than the average Joe so to speak. We had many occasions to be together, have fun and speak our minds. I enjoyed her spirit and outlook on the things of this world. She taught me alot...to love without reservation, to forgive an move on, and by all means have a BALL while you do it!!!!!!!*
