“ *Sybil wasn't only a cousin to me, I often called her my second Mom. I have known her all my life, literally, she was in the hospital waiting with my Dad (that was before Dads went in the delivery room) when I was born. So much of my life was spent with Lloyd and Sybil. When my sister had her car wreck, I lived with Lloyd and Sybil for a couple of months. Everyone always loved her coconut cake, but I didn't like coconut do Sybil would make me a cake with the icing without coconut. I loved her dearly and will miss her. Sending prayers to Connie, Cathy, Cheri and the entire family.* ”
