“ *Our prayers for you & the family. TC brought a lot of joy to Randy when they were working together at the pharmacy- Randy would come home and go on & on about TC & laughing at their day. Ann you have been through many trials over the last few years and I'm sure this is the biggest one, but God has been at your side and blessed you and He will continue to do so. We pray for your peace and comfort. God & His promises will carry you & your family through this difficult time. TC will be missed here on earth, but will have a joyous welcome in Heaven.*

“ T.C. was such a big part of my life for so many years, he was like another dad to me. He was my boss for about 6 years and one of the best I've ever had. He wasn't big in stature but he was big in personality, love and kindness. My heart is broken over this loss and for Ann, Lauri, Timothy and family. I love you all and you will continue to be in my thoughts and prayers.

“ my thoughts and prayers are with you all during this difficult time and heartbreaking loss...TC was like a father to me as i grew up, if timothy and i weren't at my house, we were at theirs :-) our families grew up together and i cherish those memories...making donuts, cutting the "crust" off timothy's burgers...spending the night, building forts, listening to music as our parents played cards late into the night...TC always had the patience of job and a quick and ready sense of humor :-) i will miss him dearly, but i am grateful he has received the ultimate healing and peace he so greatly deserves...he lives on in the lives of his children and grandsons...what an amazing legacy!

“ Very sorry for your loss. TC and I graduated from LD Bell High school together and then worked at Six Flags after that. I didn't see TC again until we moved to Corsicana in the early seventies. He was a good friend and a good man. I think everyone who knew him will miss him.
