“ Some of my best memories are as a child~Growing up in a church is where so many of my memories are. The Vinson family along with many others are part of those fond times. Tabitha was a bit older than me, but I always will recall her older sister role that she had in keeping Rebekah and Benji in check. Your family will be in our prayers as you go through this difficult time. Find comfort in knowing where she is and the peace that she is now living~

“ *It is easy enough to be pleasant
When life flows by like a song
But the man worth while
Is one who will smile
When everything goes all wrong.
For the test of the heart is trouble And it always comes with the
years
But the smile worth the praises of the earth
Is the smile that shines through tears.*

“ *Dear Tabby, I barely had a chance to know you but yet I love you
dearly. We meet in pre-k when my son befriended the Thorton kids
and ever since that day I have called you friend. I grew to love and
respect you and your family. You held my daughter just after her
birth. No matter how sick you got you always remebered her and my
family. I did not get the chance to know you long but I will always
cherish the four short years I was blessed to have known you.
Blessed Be and Blessed Be your Family. We Love You All!*
