“ *Dearest Steely Family - I was so sorry to hear of Tammy's passing she was always such a wonderful friend and I have so many fond memories of staying at your house watching Dark Shadows and General Hospital (lol). Playing music and dancing around and having the time of our lives. Tammy has always been and will remain in my heart as well as all of you! Every time I think of her it puts a big smile on my face - she will be missed!*

“ *My condolences to the Steely family and I am so sorry for our loss. Tammy was truly one of a kind, a funny girl but with rare perception as well. Seems like yesterday we were all hanging out at Sue's and throwing a football in the street. Good times...*

“ My thoughts are prayers are with the Steely Family. Tammy and I were graduates of the 1978 class of CHS. We shared a lot of good times in the Blue & Gold Brigade Drill Team and Homecoming Queen Nominees. She was always courteous, polite and had such a vibrant smile and sweet spirit. She was really a special friend and I am so sorry to hear of her passing. May God strengthen your family during this time of bereavement.

“ Tammy was a great friend and someone who I always enjoyed being around. We had many classes together and pretty much the same "gang" of friends and activites. I often remember those times and will always remember her.

“ Kevin, Tim, Wes, Sue, Pam and the entire Steely family, a light has gone out with Tammy leaving this world. SHE always had a smile on her face when I saw her. Even when she was in pain. I saw her a few months back at the Copy store and she gave me a big old hug and had that Tammy grin on her face. My prayers are with you and your family at this very hard time in your lives.
