“ I’m so very sorry to hear about Ted! Our moms had a Beauty shop together in “Downtown Kerens “ So our families were close. Ted was always happy and fun! And also a prankster! We loved him like a brother. Our favorite game was we would jump on the bed while he tried to knock us off with a pillow!He always won! I’m sure his bringing smiles and laughter in heaven! Thanks for the memories Ted! Bobbie Jo Cossey Hammac

“ *The best memory I have is the everyday memory of having a friend and a father. He thought me what it was to be a father by loving his wife and children unconditionally. In just the short amount of time I learned a lot from him. So much, I was honored to carry on his name with his daughter Gale, until the day I pass away... Thank you Ted... Leaving them in my hands... I'll continue to love them as you did!*
