“ Teddy Rowe you will deeply be missed my friend. A lot of years have went by that we haven't hung around you guys but the memories we shared were the best. Looking back there was never a dull time that we were all together and so many laughs!!! If everyone could look at life like you everyone would always be happy. Cause I don't think I ever seen you without that big ole smile on your face. RIP my friend

“ Ted, you know you are one of my favorite cousins. As kids you, Steve, Debbie, Joey, Jackie, Kim and I were more like brothers and sisters than cousins. We all had so much fun. This week I've been so overwhelmed with memories. Remember the Christmas we all got bicycles? It was a cold windy rainy day at your house on Richland St. but we had so much fun riding our bikes thru the puddles and mud. We were muddin' before we knew what muddin' was. Playing hiding go seek, chase and tag football although you boy cousins always tackled us girls instead of tagging us. Every year, Pa took a bunch of us cousins to the Ft. Worth Stock Show and the State Fair Of Texas in Dallas then he would let us run around the grounds while he took a nap. But we never worried just stuck together, played, checked out the animals and rode the rides. Then one day you, your mom and Steve moved to new place. Field City. You were a young teenager and soon you met a girl with her long brown hair and cute smile she caught your heart and you became man and wife. At the wedding I heard people whispering "They'll never make it they'er too young." But since you and Glenda have been married always forty three years I guess you proved them wrong huh? Time passed and the babies began to arrive. I was sharing an apartment with you, Glenda and Aunt Betty at the time so I got to help spoil all four of them. So much fun. Your children grew up graduated High School became parents giving you and Glenda seven beautiful blessings called grandchildren.

In recent years God touched your heart and you found salvation in Jesus Christ. He filled you with the Holy Spirit and promised you eternal life. People could see by the light in your eyes and smile on your face that you love the Lord. Now it's present day and God has called you home. As you walk with Jesus I know that you have pointed down to earth below and said to Jesus that is my family and Jesus said "Yes, they will be joining you some day." I praise God for Him letting us be a part of the same family for fifty eight years. I pray that I can continue to share memories of you with your kids and grandkids. Remember that you are one of my favorite cousins. I know I'll be seeing you in Heaven but until then I'm going to miss

you Teddy Rowe. Love cousin Vickie.

“ I remember Teddy Rowe being a great individual who worked very hard and would give you the clothes from his back if needed. I got to work with him for 5 good years at Lowe's and he is going to be greatly missed without a doubt. He was very caring and Christian as well, which goes a long ways in our life here and our after life. There's isn't a doubt in my mind that Teddy isn't with God, because that's all we talked about at work being a Christian myself. I enjoyed our time and conversations at work, which I learned a great deal about work from Teddy and greatly appreciated him from the bottom of my heart. My prayers and blessings go out to his family, but Teddy Rowe will never be forgotten in my heart.

“ To the Rowe and Montgomery Families,
We are so very sorry for your loss. I know that words can't help the pain that you are all feeling right now. Hopefully you can all lean on one another and your close group of friends in your time of need. We hope and pray that you can find peace in knowing that he is in a better place. Things happen for reasons we can't always explain and often don't understand. Have faith that our God has the master plan. Again, I know these words can't take the pain away.. But you all know that you are in our hearts, thoughts and prayers. We will keep praying for you all in this time of need..
