March 4, 1966 - June 13, 2025

Teresa “Terrie” Gail McCamey Abbe, 59, passed away surrounded by her family on Friday, June 13, 2025, at UT Southwestern in Dallas. She was born March 4, 1966, to Jimmy Don and Berta Ruth Fitch McCamey in Corsicana, Texas. She was a graduate from Corsicana High School in 1984 where she met the love of her life, David Abbe Jr. She married David in September of 1984 and that where the all the interesting adventures started for them. David and Terrie were blessed with 2 boys who provided them with 6 grandchildren. Those adventures included horse shows, food poisoning, hating cheese, baseball games, hollering at umpires, Harley rides, pizza parties and ice cream, her method punishments, and making the best chocolate milk for the grandkids. She loved Halloween and loved to dress up. She dressed up multiple times as David to embarrass her two boys at school.

Terrie worked for 31 years in the insurance industry helping numerous people. She received her bachelor’s degree and started working at the Henderson County Help Center and continued to help people through troubling times. She was an inspirational Sunday school teacher and youth leader for 9 years. She led multiple youth missions in helping the homeless and assisting the less fortunate. Her passion and love were her kids and grandkids. She believed that the sound of a child’s laugh was the sound of heaven on earth. Terrie had a contagious laugh, sparkling smile, was a spit fire, the life of the party, spoke her mind, and always had a hug to give. Above all, she loved her family beyond measure.

“ *I was an equine intern at Black Beauty Ranch about 10 years ago. I worked with Terrie's son Cody and her best friend Carey for about 6 months.*

I will always remember Ms. Terrie as the force of nature she was - insisting I eat seconds and thirds... as she packed extra for me to take back to the intern house. Her love for her family and her community radiates from her. She was such a lovely, kind, thoughtful woman and she took me and my fellow interns under her wing. No questions asked - except for, asking about our day, or could she get me a drink?

As a young adult, far from my own family, just trying to find my way in my life - her kindness made a lasting and enduring impression on me. I will forever be grateful - and aim to pass it forward as often as possible in my own life.
