“ Terry was a very sweet individual that we all enjoyed being around. I enjoyed the hugs from him every day. Terry and I would sing country songs, especially "Hey Good Lookin". He liked George Strait and would sing his songs. I would always make Terry a Batman cape for Halloween. He would wear it until he wore it out! We will miss out little Batman more than I can explain... more than words can describe. My prayers go out to his family and to Lachesha Holloway that loved him and treated him as her own.
