“ *My family lived across the street from Theda & her family as a child. We used to play together & I remember Theda was always nice to us & we had lots of fun. She was a very kind & sweet person. We moved away & lost contact. Later she was my sister's college roommate at SFA & still the same sweet person. I'm sorry to hear of her passing. I will keep you in my thoughts & prayers.*

“ *My family lived across the street from Theda and family so we played outdoors together as well as card games. We moved away but ran into each other at Navarro College. Along with two other friends we all went off to SFA university. We had alot of fun on evenings and weekends. Theda was a great friend to me and many others!*
