“ *On a whim I Googled Thomas today and saw this. Damn. Back in my college days we would go see Thomas and Cadillax at the Courtyard in Corsicana, and I liked him and the band so much I hired them to play my wedding reception in 1992. Thomas was a great guy and a great guitar player, and I am saddened to hear of his passing. I'm don't know if his loved ones ever check this site but if so, I'm sorry for your loss.*

“ We are terribly saddened at the loss of our friend Thomas Abbe. We first met when TJ and Thomas showed up at Boy Scouts. As TJ's scoutmaster one of my jobs was to get to know the skills of the parents. When I asked Thomas his response was "I can cook and play the guitar but not at the same time." Boy oh boy could he do both, but like he said, not at the same time. I'll never forget Trout Almadine with fresh greens for one of our summer camp meals. Follow that with a camp fire sing along with Mr. Abbe playing the guitar until his fingers hurt. It's a favorite memory of all of the boys and adult leaders who were fortunate enough to be a part of it. - The Beauchamp Family

“ Our lives are so much richer from getting to know Thomas. We first met through Boy Scouts as T.J. & Michael made it through the ranks together to become Eagle Scouts. Thomas was always quick & willing to help with the scout camp-outs. The boys loved it when Thomas brought his guitar. Our hearts are with each of you, praying you will have the strength needed to see you through this difficult time.

May all your happy memories help to ease the sorrow that you feel.

“ *I never will forget the nights I spent in the tents on campouts with
Tom. He went out of his way to make sure that everyone was
having a good time, and his love of people really shined through.
The pride he took in his family was evident as his face lit up when
he talked about you all.
He taught me how to trout fish in Colorado and he always had one
more song in Arkansas. My life is fuller for having known him and
we will all miss him. I am glad all the boys of 253 got to spend time
with him and I am very glad to have known him.*
