“ My mom Peggy lived across the street from Tom for many years. He was a wonderful neighbor and friend to her. His yard was always the best on the street; He will be missed.

“ I had the pleasure of serving with Tom at the Good News Cafe. When I first met him and another man, I stayed away because they were so negative and mean to each other. However, Tom saw me cry one time and we talked. He became my best friend. He and the other man just loved to spur one another on. I prayed for Tom when he had his fractures and pneumonia. Tom was such a hard worker and always wanted to try to keep coming to church and the Good News Cafe. I will definitely miss him. So thankful he is whole, walking and golfing in heaven. Praying for his family during this time. Tom was very special. I will truly miss him.

“ In honor of my Christian friend and fun fishing buddy through the many years. I am one of the small remaining ones left of the coffee drinking and fishing group clan. His friendship through Sunday School class and life has been a treasured gift and blessing. I am Jay Justice and just turned 97 years old last Sunday, will miss my friend who stretched the truth with kidding aside about the number and size of his fish caught (ha! ha!). The Lord has received a wonderful man in heaven, and I am glad that he is no longer suffering and in pain. A special comfort of prayer to his family loved ones and special friends of a life well-lived! Thanking the Lord for his life, Mr. Jay Justice and family. 🙏
