I did not know Tom that well, but his mom was my friend. She said several times that she wished I had taught him in fourth grade because of our love of history, & I wish I had. I do know that Julie Ann has a big heart & lives, loves, & laughs with gusto. My heart aches for Kathleen & her now. Although I miss her living here in Fairfield, I am glad she is living near Kathleen & her family. God bless & keep you sweet friend.
