“ *Tommy was a first cousin- his father and mine were brothers. We shared fun family gatherings as young kids. And we were reacquainted when his children were young. Though it has been a long time since I had seen him, still have good memories.*

“ *I was so very sorry to read of Tommy's passing. Friends of our youth remain special no matter how long since we've been together. [May] the peace of God, which surpasses all understanding, ... guard your hearts and your minds in Christ Jesus. ___Phillippians 4:7*

“ *My thoughts and prayers are with the Tubbs family during this difficult time. Tommy was a high school friend and in the late 60s we shared an apartment with several other friends. Those were fun times. His mother Betty and my mother Dorothy Honea were close friends. I hope that the memories of good times together will be a comfort to the family in the years to come.*
