“ *We first met Sid when we began our rental management business in Corsicana. Sid repaired and changed locks for us and we always found him to be a delightful man that we larned to love and consider our friend. He was always honest and a man of his word. He will be missed.*

Our sympathies are with his family at this time of loss. May God comfort you and may you cherish your sweet memories of Sid.

“ *Willie, I was so sorry to read of your loss. Please accept my sympathies. I never met your husband, but I am so saddened for you and your family.*

It has been so long since I have seen you, but I still think of some of the times, both good and bad, that we had when we worked together at the hospital. I always recall when a new mother couldn't think of a name, we would go to see her and suggest she name the baby after us, Willie Jane, boy or girl. Somehow, she always came up with a name soon afterward!

Take care, my friend, and I hope God will grant you comfort.

*With love,
Mary Jane*
