“ *Cat, my deepest sympathy goes out to you & your children & grandchildren. Some of my fondest memories is when Christine & I were young & I think you had just started dating BJ. You lived out in the house out on 709 close to Poeboys. He was always giving us a hard time back then. Know you are in our prayers & we know that he is in a better olace. Love Diane*

“ We want all of you to know you are in our thoughts and prayers. Daniel is so torn. He wants you to know he loved your dad and has never had a memory that wasn't a good one and that didn't include Pete. They were childhood best of friends and Daniel will never forget all they shared. Please know you will smile again and remember how much Pete loved you. He bragged on his wife, kids and grandkids every time we spoke. I loved Pete because without him, I never would have met Daniel. I have enjoyed so much in my life because of him. I could never imagine my life without all our kids and grandkids in it. Those things we all had in common and even though we didn't see as much of each other in the recent years, we were all doing what we were supposed to, loving and taking care of our families. To Lois, we can't even imagine the grief you feel in your heart right now. Know you, Doyce and Suzanne are also in our thoughts and prayers. Doyce, call us anytime. Cat, if you need anything, please, please call. Barbara's Cell #903-875-4270. Love, Daniel and Barbara Smith

“ I have many funny memories of Pete. He and Doobie caught the bus from Papa and Mama Lane's just like us girls. Pete loved to watch *The Three Stooges* and *Clutch Cargo*. The two of them would imitate the stooges.

I know Pete had a rough time with his health and I know he is now at peace and enjoying wonderful health.

My prayers go out to all the family. God Bless you through these sad times.

“ I met him in 1989 @ Navarro College and became instant friends. He was such a nice man, great smile and a kind soul. Over the years our paths have crossed and he always remembered me, always having time to stop and chat ! He is in HIS hands now, so let go and let GOD, my prayers are with your whole family and GOD BLESS you and he will be missed by all.

“ I'm so sorry that we could not be with you today. I wanted you to know that we will continue to keep all of you in our prayers. Also, my dad, Lewis "Son" Tanner, is ill and probably will not be able to attend, as well. He also sends his love and is praying for your family.

“ *May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*
