

Tim Hartley Jr.

July 25, 1966 - December 31, 2020

On December 31, 2020, our world was no longer large enough to contain the enormous heart and life force that Tim Hartley was to so many of us.

Tim Donald Hartley Jr. was born on July 25, 1966 in Corsicana, Texas. He graduated from Corsicana High School and Navarro College. He also attended UT Tyler. Tim worked for TXU from 1989 to present day (Vistra Energy).

Tim is preceded in death by his dad, Tim Donald Hartley Sr.- who Tim thought hung the moon and the stars.

The amazing memories of Tim will continue to be cherished every moment by his wife and forever best friend and soulmate , Martha , and his son Tristan , who was his absolute beloved mini-me and pride of his life, his precious mother, Wanda Hartley, brother, Doug Adler and sister-in-law Nancy, his cousin Jeff Smith (who was always another brother to him) and his wife Denna, his nieces, Chelsea Adler Griffith and Callie Adler Burleson, who both had him perpetually wrapped around his fingers from the day they arrived on this earth, his cousins which he loved immensely , his mother-in-law, Peggy Wetegrove and husband, Bob, and countless number of lifelong and work friends , and golf buddies. Also, by Livvie, who for those that knew him well, know his dog, Livvie (Lulu) was his best girl, his favorite riding buddy and

grabbing- a - burger together partner.

Tim began working for TXU in May of 1989. That very same day he met his wife Martha there, and unknowingly they embarked on their lives together that hold more joy and memories than they could have ever imagined at the time. They married on April 4, 1992, with the extra blessing that his mom officiated the wedding. Tim and Martha loved each other with their whole hearts and balanced each other in a way that comes with years of weathering everything together, good and bad, and always finding ways to laugh together in moments that others may not. Tristan was the love of their life, and Tim was the best daddy you could ever imagine. They also deeply loved so many fur babies through the years and took in several homeless puppies to share their love of dogs.

Tim truly enjoyed living life, every day was a new day for him, and he sought to live it to the fullest. His smile, infectious laughter, humor, and charm made anyone feel at ease the moment you talked to him-it is no exaggeration that there was no such thing as a stranger to him. He had the ability to make anyone feel loved and important. If Tim were your friend, you knew it and that would not ever change. But of course, you also had to be ready for some serious ribbing, because he was the master at giving anybody a hard time and we all loved him that much more for it. He was also an amazing mentor, leader, second dad and true North for so many throughout his life.

Our world will never be the same without him but could never be as rich in the fact that we had him. Fly High Timmy- and get that that hole in one on Heaven's greens.

Donations may be made to Project Pawz or Corsicana Animal Shelter in his name.

Masks will be required to be worn at the service, and all social measuring

distancing guidelines will be followed.

A Celebration of Life for Tim Hartley will be held Thursday, January 7, 2021 at 1:00pm at the First United Methodist Church in Corsicana. “ *My deepest condolences to Martha, Tristan, family and friends. Tim was my first US client, one of my strongest business partners, and we quickly became good friends.*

We loved working together, but even more so when he visited Guatemala loved our conversations over lunch or dinner.

We were all blessed to know such a great human being.

Warm regards,

“ You brightened the life of everyone who had the privilege of being your friend. You brought me so many tearful belly laughs! Over the years we shared jokes, family stories, customer stories and so many more. I cannot believe you're gone from this earth. There's such a deep void that only you could fill.

Heaven has received a King!

Until we meet again, RIP my friend!

“ So many memories Timmer! You were barely 30 when you joined our group. I always called you & Grim my Seinfeld buddies. We sure got into some of the same precarious situations! Always laughing & hollering over each other's cubicles. You could turn a serious situation into a funny one w/o even trying. Lord, then when we began outsourcing to Guatemala you specifically told me that you did not want to go. Ha! You became the life of the party, I mean you became their most important manager! I will never forget the first house that you & Martha purchased. Y'all were so excited! Then when you brought in the sonogram pictures of Tristan. Your little mini-me! Well, everyone you ever worked with loved you! Thank you for all the laughs! I'm sure Jesse welcomed you with a big old hug! Keep our corner of heaven roped off! We all look forward to laughing with you again.

“ *My deep sympathies. I have lost touch with too many 1984 classmates over the years. Tim was a pretty calm guy as I remember him. Prater, Tim, Jerry F, and I may - may not have done some questionable things back in the day! Nothing too, too crazy as I recall:^^)*

My thoughts and prayers are with his wife, son, and entire family. I can certainly tell in reading about Tim, that he was truly a great people person. And if you love and care for animals like he did so well; it is often a sign of the great care and love one has for others (humans). That rings true too.

My sympathies, Jon Speier
