“ *Wanda, You and your family are in my prayers. It was such an experience and pleasure to work with Tim as the Head Chief of the Navarro County Jail. Tim shared many recipes with not only the inmates but also with employees. The pleasure of working with Tim will always remain in my mind, soul and heart. If you need me to be of assistance, please feel free to contact me at any time.*

“ It has been a few years since we all slid down the fire escape at the old Rice school building. The Rice school bunch that lives in my memory are all fading away. I will remember with joy the good friends we all were. I will always remember Tim Hartly as one of these.

My guess is there is a whole lot of laughter going on in heaven! Saint Peter announced that Tim D. Hartley Sr. has arrived with a whole set of jokes for the boys. He can't be replaced but taught his his sons and grandchildren that life is to be lived to work hard but take time to live, love and most of all laugh! My heart felt sympathy is sent to the family but I know you're relieved that Mr. Hartley is no longer having to endure dialysis and his hard fought battle is over. He's pain free & has received his ultimate healing!
