“ I just can't believe it. I loved Abb and Lee Anne. He was the best supervisor I ever had when I worked for Morgan Corporation but he was also my best friend. Abb you will never know how much you helped me get through some rough times as I was trying to raise the boys by myself. I will truly miss you and my heart is broken. Leeanne my prayers for you and Sam . I love you guys.

“ *LeAnn, Sam-Bo, and Jake - u are all in my prayers. I do not know the rest of your family - but you too are in my prayers. I cannot imagine the pain you are feeling. I had Sam in my home daycare for quite a while - a sweet child - raised by a wonderful mother and father. I pray that you all are strong and stick together as one thru these tough times. I love you all dearly and pray daily for you.*

“ *Many childhood memories of Abb and my mama just hanging out, she said you were other little brother and loved you and yours always. What I remember most is the fact that you stood up for us when no one else would, you gave her the courage to finally remove us from a bad situation. With all my love to you and the family I know will be missing you along the way. Rest in peace, many prayers are with your family. Much love and respect, Crystal Farmer*

“ I still can't believe you're gone. We haven't been close in many years and now I regret that with all my heart. When I heard of your passing, memories flooded my mind. I'm sure I could be irritating because all I wanted to do was hanging out with you. You took me to my first concert, you'd take me to the lake on the back of your motorcycle, and you'd happily entertain my friends and I (many of whom thought you hung the moon). It's a shame that now that you're gone, I really want to reconnect. You will always be my uncle Abb and I'll always be your Rainy Day. I love you very much.

“ Skipper, Our hearts are heavy as we have read about Abb. Memories flood our thoughts of the years we shared with Abb as a little boy! He was just like our child, like having twins with he and Chuck being so close in age and all the years I kept him. You and Vivian and all the family are in our prayers. My Gods loving arms hold you during the days ahead. Love in Christ, Chuck and Pam Burns
