“ we were deeply sad when we heard of tim's sudden passing, he was a good friend and an exceptional co-worker, he was always quick with a joke or a funny story to make our workday go by with a chuckle and a smile, he always had the answer to my project bike problems and was always ready to help anyone in need., he will be greatly missed!, our thoughts and prayers go to his family for their loss, god bless.

“ It was a long time ago when I met Tim , He was just like a brother to me for many years. He would make you laugh when there was nothing to laugh about. My heart is broken that he was taken away from us so early but with this I know God is in control. My prayers go out to his wife and family.

“ *I knew Tim well, worked with him many years at Kmart. He always had a big smile and loved to have fun. I can still see his dimples. He loved his dogs and his bike, somehow he just never looked right driving his truck.... Tim was supposed to be on his bike !!*

“ *I met Tim earlier this year when he came to work for us at The Home Depot Distribution Center in Corsicana. From the moment I met him, I had all the confidence in the world that he would be a great employee/co-worker. He proved me right, he was hired just last month by Ryder Logistics. I appreciate his dedication, hard work, and just being a good person that always had a smile on his face. He is gone too soon, but will not be forgotten. My thoughts and prayers go out to his family at this time. This is a great loss for all of us.*
