“ I was so sad to hear of Tim's passing. He was a lively fellow with a constant grin and a funny storyteller. I can still see him with a huge cigar in his mouth and a margarita down along the water in Kemah. One of my fondest memories is the night when Timmy and Olivia got married, we had so much fun on that boat and he was so happy. My deepest condolences to all of his family and friends. I hope it is some comfort to know how much he loved you all.you

“ Just heard of Tim's passing. Had not seen Tim in years, but fond memories of high school band. Tim was awesome on the tuba. He hated those parade marches, but pulled them off with Liberty Blue Jay Pride! Rest in peace. I see others mentioned that infectious smile. Memories will live on, you will never be without them.

“ One of my fondest memories of Tim was when he was giving a plant tour for a sales meeting and there were like 25 to 30 people following and listening to him tell about the product he knew so well. He had me follow the group to and take pictures so he would stop, pose and smile that big Tim Tipton smile. Then he would go right back into his salesman voice and charm the crowd. I will miss you Tim Tipton.
