“ Uncle Tuck was a man with a huge heart and a love for life. He always seemed to always want to take care of everyone. I know he will be missed dearly, and know how much he treasured all the time he had with everyone. I know he is in a better place, i just wonder if they will have his favorite slot going off with all the bells and whistles. I love all of you, and hold everyone close to my heart although I don't get to see you often enough. May God fill your hearts with all of Uncle Tucks warm memories, and feel the peace that only God can bring to your heart. I love you all, Kim and Gary
