“ I met and worked with Tommie at Twilight Home a number of years ago. What a sweetie she was! The residents all adored her; she was so kind and "picked at" them, and they loved it. She was a good nurse in every way, and I am proud to say I knew her. She will be missed.

“ i spent many years working with tommie in the nursing home as a consultant pharmacist. she was a good friend, and and excellent person to work and serve with. she always gave those seniors a little something extra--- she truly cared about them, often more than their families. she will be missed for a lot of reasons, but her service to those in the homes will be remembered most by me. she was a lovely and caring woman.
