“ My thoughts and prayers are with all of you. You've all treated me as one of your own and my heart is breaking in our loss. I love you all and although I can't be with you in person, I am certainly going to be there in spirit. RIP, Tommy. I love you and I will miss you.

“ I love you so much papal. You were much more than just a grandpal you, grandma Jerry and Wanda always picked up when my parents fell short in life. You showed me how to crack 2pecans in one hand. How ever I never had to do that because you done it for me I ate them as fast as you could crack them. Your sheld pecans are the best and no ones will ever taste like your sheld pecans that came from your hands that were seasoned with love. I will keep sharing my memories with Jax so he never forgets. I love you till we meet again.
