“ Tommy Joe was one of the nicest people I knew and married a great lady as well. I will always remember his smile, friendly candor, and friendship. He trusted me with his son in education which proved to be a true blessing for me. I am glad that he will not suffer anymore, but he will always be in our hearts.

“ *I have fond memories of times with Tommy Jo and Ziggy on the Ranch when we were kids - digging for earthworms, fishing in the tank, riding horses and getting chased by the rooster. I can't think of Huckleberry Finn without thinking of Tommy Jo. I didn't see him often as an adult but know that he loved his family and spoke proudly of his kids. He will be missed.*

“ I went to school with Tommy Joe we were in the same class at Mildred. I think I can speak for all of those who grew up with him in saying that he was much loved by all of us in the class of 61'. He always had a smile or a joke and he was everyone's friend. His passing is a very sad loss. Lou, may I extend my sympathy to you and your children and grandchildren, you are in my prayers.

“ We first met Tommy Joe when we owned V's Cafe. We both thought a lot of him because he became a close friend to us. We talked to him several times a week when he would take a coffee break or eat with us. His wife is a sweet person too. God bless all of you. We will miss him because he would always brighten our day.
