“ Elsie Spivey - Tom was my brother, my friend. When I first moved to Corsicana I could call on him for any problems with the house or automobiles and he could fix anything. He was a pleasant person and very good friend. At times like this "I'm sorry" sounds so empty compared to what you are going through. And yet, it's all I know to say. I'm very saddened, very sorry, and I cared very much about your son. Our love and prayers are with you and your family in your time of grief.
