

Tory Cantu

April 14, 2010

Tory Lee Cantu our precious angel was given to us on February 17, 1997 in Corsicana. She was given her wings on April 14, 2010 at Children's Medical Center in Dallas where she fought like a champ and had all the staff mesmerized by not only her bravery by her stubbornness and individuality. Tory's personality and humor brightened up any room and had everyone laughing by the time she left. Heaven has not only gained one beautiful angel, it's also gained a little jokester who has definitely livened the place up. She might have only been on this earth for 13 years but she touched so many lives and her smile has been imprinted on everyone's heart. She was in the 7th grade at Rice High School. She is preceded in death by her MiMi Debbie Blue. They are now together walking hand in hand and we know MiMi couldn't be happier to have her ToTo at her side. She is survived by parents, Robyn and Joe Kittrell, Alex and Carmen Cantu; brother Ty Cantu, all of Corsicana. Grandparents Wesley and Tommie Blue, Pete and Grace Cantu all of Corsicana. Great grandparents Frances Perry, M.H. and Ida Blue of Corsicana and Frank Cantu. Uncles and aunts, Ryan and Chasity Blue, Patty Wells, Arnold Cantu, Chet and Brittni Kittrell, Ronnie and Linda Ford and Jennifer and Todd Stubbs all of Corsicana. Cousins Robert Wells, Aaron, Avery, Alyssa and Lexie Cantu, Logan Gruver, Parker Kittrell, Rian and Will Stubbs, Houston Rodges. She is also survived by her best friend Sadie Gent (Turtle) and 2nd family Mama Gent, Mr. Coach Gent and Sarah. Visitation will be 6-8pm Friday April 16, 2010 at Griffin-Roughton Funeral Home. Services will be 3pm

Saturday April 17, 2010 at First Baptist Church with Dr. Darin Wood and Dr. Gary Johnson officiating. Burial will follow at Hamilton-Beeman Cemetery. Pallbearers will be Aaron Cantu, Avery Cantu, Robert Wells, Robert Allen, Dan Taylor and David Currey.

“ *Holding the Kittrell, Blue & Cantu families close to our hearts during this very dark time, and praying for your comfort, peace and strength in the coming days. I know it sounds so cliché, but know that our feelings are truly heartfelt. Lean on each other, lean on your friends, but mostly lean on God as you try to understand his plan for Tory and for you. What a beautiful young lady Heaven has gained!!*

“ As a parent myself, I cannot imagine your anguish. I must have faith, though, that God will see you through. In your darkest hours, I pray you will turn to Him...He will always be there. Words will never be enough, I know, but they're all I have to give...I'll keep you all in my thoughts and prayers as your sweet angel soars her way to Heaven to smile down on you all. God Bless all of you.

“ Hi, I don't think I knew Tory or you guys. My friends were good friends with her and I have heard many great things about her. I'm sure she was an awesome, loving, and cheerful person. Her story made me tear up. I've been praying for her and her family. Tory is in a better place now. She may be gone buy not forgotten. I'll always remember her and smile when I think of her knowing that she's safe in God's hands. God bless you all and Tory. You're in my prayers and always will be.

“ I taught Tory at First Baptist Weekday Preschool along with Mrs. Phinny. She was the sweetest little girl and always so fun to be with. I also taught her brother, Ty. He was very quiet and shy but very polite, they both were. Our paths have not crossed in many years but you never forget the sweet faces that you have taught. May God bless your family during this time and I pray you will feel His arms around you holding you up as you go through the days ahead.
You all will be in my prayers.

“ I hope someday in some small way your heart will heal...
May Tory Forever Live In Our Hearts...
She will be missed immensely....

*A Heart of Gold stopped beating,
Two eyes shining at rest.
God broke our hearts to prove
He only takes The Best.*

*God knows you had to leave us,
But you did not go alone~
For part of us went with you,
The day he took you Home.*

*To some you are forgotten, To others just the past.
But to us who loved and lost you,
Your memory will always last.*

“ Where to start, Lot's of people have showed there support,prayers,concern for all the family,but mine is to the parents, and grandparents.You had a little girl who has touched thousands a very rARE THING.THE LOSS IS UNBEARABLE,ONLY HEALING COMES From PRAYER AND TIME. Only God can truly bring this,I can't and don't want to imagine losing my children or grandchildren, but when the time comes,I pray my children and grandchidren will have touched lifes the way your little angel has. Take all the support of these memoirs and keep them close to your heart,on the bad days read them and look up for the sky will lite up with her smile and the trees will wave in the wind,by her jokes.Comfort will come when you allow the Lord to hold you tight and comfort you in Garden,

“ *The Cord*

*We are connected,
My child and I, by
An invisible cord
Not seen by the eye.*

*It's not like the cord
That connects us 'til birth
This cord can't been seen
By any on Earth.*

*This cord does it's work
Right from the start.
It binds us together
Attached to my heart.*

*I know that it's there
Though no one can see
The invisible cord
From my child to me.*

*The strength of this cord
Is hard to describe.
It can't be destroyed
It can't be denied.*

*It's stronger than any cord
Man could create
It withstands the test
Can hold any weight.*

*And though you are gone,
Though you're not here with me,
The cord is still there
But no one can see.*

*It pulls at my heart
I am bruised...I am sore,
But this cord is my lifeline
As never before.*

*I am thankful that God
Connects us this way
A mother and child
Death can't take it away!*

“ *In Memory of Tory*

God saw you getting tired and a cure was not to be. So He put His arms around you and whispered ?come to me.? With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the best. ~ Irish Prayer~

“ *When Tomorrow Starts Without Me*

*When tomorrow starts without me;
And I'm not there to see;
If the sun should rise and find your eyes,
All filled with tears for me;
I wish so much you wouldn't cry, the way you did today,
While thinking of the many things
We didn't get to say.*

*I know how much you love me,
As much as I love you,
And each time you think of me,
I know you'll miss me too;
But when tomorrow starts without me,
Please try to understand,
An angel came and called my name,
And took me by the hand,
And said my place was ready,
In heaven far above,
And that I would have to leave behind,
All those I dearly love.*

*As I walked through heaven's gates,
I felt so much at home.
When God looked down and smiled at me,
From His great golden throne,
He said, "This is eternity, and all I've promised you."
Today your life on Earth is past,
But here it starts anew.*

*I promise no tomorrow, but today will always last,
And since each day is the same day,
There's no longing for the past.
So won't you take my hand, and share my life with me?
When tomorrow starts without me,*

*Don't think we're far apart,
For every time you think of me,
I'm right here in your heart.*

*Robin and Ty - this poem has helped me thru several losses and I
hope it will do the same for you!*

“ ~The Angels are always near to those who are grieving, to whisper to them that their loved ones are safe in the hands of God.~

There are no words that are befitting @ a time like this, so that is why I wrote that poem in memory of Tory. I had only hoped that it would give the family & friends of this sweet little Angel some assemblance of comfort. I will post it here so that anyone that didn't get a chance to read it, can. {Just in case you change your mind about having it read during her service.} I hope it brings you comfort as well. My heart physically aches for the family & friends of this beautiful little girl.

-Gods little Angel-

by dlr 04/14/10...

{dedicated & written by me, in memory of Tory Lee Cantu}...

You are now sleeping with the Angels, peacefully resting at last. Your earthly trials & troubles are over & past. In silence you suffered until God said "No more." Then He came to take you with Him to live in His Kingdom forevermore. You left behind loved ones, family & friends. But one day we will all be reunited never to be parted again. In the hearts of those who loved you, there will always be lots of room...to fill with beautiful memories of a little girl who left this earth too soon.

With my deepest & most heartfelt sympathies. My heart & prayers are with you all during this time of great loss.

Just know that there are many, many people holding you close in their hearts and praying for your strength to get through the days ahead. You have to trust in the Lord that this was his will; it doesn't make your loss any easier to bear, but knowing that your precious little girl is walking with the angels will help! “ To Tory's Family

Your daughter Tory was a very special, couragous,brave young lady. Who will always and forever be apart of our dearest thoughts and most treasured memories. She will always be treasured in everyone's hearts. Tory will forever be missed. We sincerely hope that in some small way time will ease your sorrow....

WHEN TOMORROW STARTS WITHOUT ME

When tomorrow starts without me, and I'm not there to see,
If the sun should rise and find your eyes all filled with tears for me,
I wish so much you wouldn't cry the way you did today,
While thinking of the many things, we didn't get to say.
I know how much you love me, As much as I love you,
And each time that you think of me, I know you'll miss me too,
But when tomorrow starts without me, Please try to understand,
That an angel came and called my name, and took me by the hand,
And said my place was ready, in heaven far above,
And that I'd have to leave behind all those I dearly love.
But as I turned to walk away, a tear fell from my eye
For all my life, I'd always thought, I didn't want to die.
I had so much to live for, so much left yet to do,
It seemed almost impossible that I was leaving you.
I thought of all the yesterdays, the good ones and the bad,
I thought of all the love we shared, and all the fun we had,
If I could relive yesterday, just even for awhile,
I'd say good-bye and kiss you and maybe even see you smile.
But then I fully realized, that this could never be,
For emptiness and memories, would take the place of me.
And when I thought of worldly things, I might miss come tomorrow,
I thought of you, and when I did, my heart was filled with sorrow,
But when I walked through heaven's gates, I felt so much at home.
When God looked down and smiled at me,
From His great golden throne,
He said, "This is eternity, and all I've promised you."

*Today your life on earth is past, but here life starts anew.
I promise no tomorrow, but today will always last,
And since each day's the same way, there's no longing for the past.
You have been so faithful, so trusting and so true.
Though there were times you did some things
You knew you shouldn't do.
But you have been forgiven and now at last you're free.
So won't you come and take my hand and share my life with me?
So when tomorrow starts without me, don't think we're far apart,
For every time you think of me, I'm right here in your heart.

“ *My sympathy goes out to you and Alex for the loss of your daughter. I am sure that would be the hardest thing to handle. I remember her when you lived on Trailridge Circle. She was just a little child @ that time. I remember when Buddy, our dog, was attacked by the pit bulls and Alex had him in his carport, and Tory was out that evening when I went over to your house. Time has gone by so quickly because she was just a little toddler and now she has grown into a beautiful young lady. Again, Fred and I wish to tell you how sorry we are for the loss of your child.*

“ *Robyn and family,
I know there are no words that can take away your pain now. You have to trust in God that he had a reason to call Tory home. It was not to hurt you even though the pain is so unbearable for you now. God's will sometimes is hard for us to understand.
I know that her MIMI is with her and is taking her under her angel wings to watch over her. Tory loved her MIMI so much and think of Tory's happiness now that she is with her MIMI.
Ryan said the other night, " I bet mom is having a good time" with her Tory too. Take comfort in knowing that Tory is not alone. She will always live in your heart and soul and one day you will see her again in Heaven. Debbie would tell you, Robyn, you will make it through this and you will be ok and that is what she would expect from you and want you to do. From Heaven's doors she will guide you and lead you through this sadness and put joy back in your heart. Listen to her, she will show you the way!
I love you all so much.*

*Do not stand at my grave and weep,
I am not there. I do not sleep.
I am a thousand winds that blow,
I am the snow on the mountain's rim,
I am the laughter in children's eyes,
I am the sand at the water's edge,
I am the sunlight on ripened grain,
I am the gentle Autumn rain,
When you awaken in the morning's hush,
I am the swift uplifting rush of quiet birds in circled flight,
I am the star that shines at night,
Do not stand at my grave and cry,
I am not there, I did not die.*

“ To the Parents, Family, Friends of Tory, I can't imagine the loss you are feeling. From everything I have heard of Tory from Karla and everything I have read about Tory and the fight she put up, shows what a special and amazing girl she was. The sadness and loss of Tory reaches far beyond what a person would normally think.

As I read her fan page and her tributes here, I find myself at a loss for words. This young girl was most certainly an example of how people should be. She was loving, helpful, fun, supportive, accepting... I could list words all night of ways to describe her, what comes to mind to sum it up is INSPIRATIONAL.

Through Tory many people have learned what faith truly is. Whether you were of strong faith to begin with, you had backed away from it, or whether you were really never familiar with it before becoming a fan of her page. I think from what I read everyone who logged off of that page was drawn back to it multiple times a day, based on the positive environment, the faith, prayers and love that people showed. This is where I come up with the word for Tory as Inspirational.

You will be missed Tory, and am saddened that I never had the honor of meeting you, as you sound like an amazing individual.

Robyn, I know this is by far the hardest thing you have ever dealt with, but even through the pain and sadness, you have to feel such pride and such joy when you read that it wasn't just you that knew how amazing Tory was, everyone seen it! I hope that some day you can take comfort in the legacy Tory has left with everyone who had the privilege of knowing her, or getting to know her through her fan page, she was nothing short of remarkable, you did a fantastic job with your daughter and it shows to everyone.

Please know that our thoughts and prayers are with you not just today and tomorrow, but everyday. May God Bless You and Give you Peace

“ It is apparent that Tory touched the lives of many. It breaks my heart to think of the pain her family and dear friends are feeling during this very difficult time. I have read countless messages that are all heart felt and full of love. Tory is no longer here on earth to brighten the room or bring a smile to ones face, however she is no doubt in the hearts of many where she will remain. My prayers for strength go to those left here to feel the pain of her passing. Robyn, Alex, I can not imagine what you as her parents are feeling right now.
