“ Please accept my deepest sympathies for your loss of your child. Children are born with so much potential and hope. When we loss them it is a void that can never be filled. When Jesus was on earth he showed us he would resurrect all our precious loved ones, even children. His Kingdom rule is going to rid this earth of all suffering and pain we see today and it will be a Paradise for all to enjoy for an eternity. God's Word the Bible gives us this comfort.
