“ *I am so sorry for your loss. I can say through experience, I know how you feel. We have two little boys in Heaven also, so Triston James-Lee will have someone else to play with. Trust God to get you through this, because He is a good God and loves you and will comfort you and your family at this time.*

“ *I wish I could take the pain away, lift your spirits, and comfort you through this difficult time. I know Triston is in Heaven, looking down on you, and guiding you through your sorrow. In time, we will all be reunited with him, and family members from the past, and we will all come together, in peace. I am ALWAYS here for you, and I love you all.*
