“ Twila always had such a joyful spirit and I always looked forward to seeing her whenever I visited my Grandmother. She was a wonderful friend to my Grandmother and I hope as I grow older that I can have a 'Twila' in my life. It is sad to see her pass but I know she was looking forward to singing with the angels in heaven and of course being taller. Farwell Twila, you were loved.

“ I always hoped that if we were able to come back in a next life, I could come back as one of Twila's grandchildren. The thought of being able to spend all the time I wanted with Twila was always so appealing to me. To hear her stories and to play in her jewelry would have been heaven to me. My love and prayer to the family. Heaven is a much more joyous place with Twila there. Cat

“ Twila was one of the sweetest and most genuine people I have ever known. To be able to cheer, entertain and encourage others from 5am - midnight is a gift of it's own. I am blessed to have known her. May her family find peace knowing she is singing and praising God as she walks those streets of gold.
