“ *Just wanted to express to Charlene my sadness at her loss. I know it must have been difficult to watch someone you love decline in their health in this way. I pray you find solace in knowing that your mother's pain is over and that she is now at peace.*

“ *May God be with each of you in the loss of your mother -- I know that your pain must be overpowering right now, but remember that Valla is now in a place that is free of pain, and sorrow. There is another Angel in Heaven, and another Star in the nighttime sky to watch over her loved ones.*
