Brenda, I was so sad to see this. I worked with your mother at Physicians & Surgeons Clinic in the 60's and loved working with her. I remember her loving to tell us about you! I know you miss her dearly, and always will. I wish I had come by to visit with her when I was in town, but we always think there's time don't we?

“ *Just heard about Verna's passing and I was so sorry to hear about it...she was a wonderful, kind and caring lady that always had time to talk and made you feel warm welcome when visiting her at her home. It was always a pleasure visiting with her at her brother's house on the lake. My thoughts and blessings are with the family....may the Lord comfort all of you during this time. “ The 1st time I met Verna was many, many years ago. I’ll just say that things didn’t go well & we did not form an instant friendship. 😊 Then, a long time later, we met in completely different circumstances. The time was right for a totally different interaction. I fell instantly in love with her & Vernon. They became some of my absolute favorite customers. She was such a sweet, loving woman. Brenda, I know this leaves a big hole in your heart. I’m so very sorry for the loss of your mom.
