“ I'm so sorry for the family's loss. You are in my thoughts and prayers. Please remember that yes, it is sad he is no longer with you, but rejoice that he is no longer bound to his human body and all it's sickness. May God bless you in this time of grieving!

“ I am so sorry for your loss, Verna. You have been so strong and are a remarkable woman. I know your dad is looking down right now so very, very proud of you. I am so proud of you for your strength and commitment to your family. Your dad also knows how lucky he was to have a daughter like you. I know it has been a difficult time with your dad these last months, but in time you will look back and treasure the renewed bond you and he created together. I love you so much and when I said I am 'big' enough to carry you, I meant it!
